Job Shadowing Program

Why should your company be part of the Job Shadow program?

As an employer we know how important it is to find talent for growing organizations, by hosting students for job shadow experiences you can teach, guide, and help us better prepare the next generation of leaders within the food and agriculture industry!

Why should you company be apart of the Job Shadowing experience?

Industry partners that participate in the program are expected to provide a one-day meaningful experiences to students to give them a glimpse of what a day looks like in your boots within the food and agriculture industry.
