COMMUNICATION

It is very important students remember to check their email! Between now and May, email will be the source for the majority of information regarding graduation, such as: upcoming graduation related events, photo sessions, invitation from the Dean, updates and reminders regarding graduation ceremonies and activities, etc. Check with your major department if you are not receiving emails regarding graduation.

Students who are walking early (i.e., participating in graduation ceremony in May, 2023, but not completing all graduation requirements until end of Summer or Fall 2023) will need to inform their departments and fill out the commencement registration to be included in the commencement program and added to the email list.

Information regarding Honor Cords will be sent out in May, 2023. Please note that early walkers are not eligible for Honor Cords.

Some major departments also do graduation dinners or banquets. Information regarding those events would come directly from the department.

Message from the Dean

The Jordan College Commencement symbolizes the culmination of many years of hard work by our students. It is a time for family, friends, faculty and staff to recognize and celebrate our graduating students' successes!

Our faculty and staff, along with our University President and Provost, are looking forward to celebrating those successes with our students and want all students to enjoy their special day! Out of respect for everyone in attendance, any students who are visibly intoxicated, disruptive or uncooperative with event staff will not be allowed to participate in the ceremony. All of our graduating students owe it to themselves, their peers, their families, their friends and the Jordan College faculty and staff to enjoy a safe, sober and dignified Jordan College Commencement.

I sincerely hope that you will participate in this special day and allow all of us to show you our pride in your accomplishments!

Sincerely,

Rolston St. Hilaire
Dean

Name cards will be available for pick up beginning at 2:00 p.m. Students need to arrive at the loading dock located at the east end of the Save Mart Center **by 2:15 p.m.** They should **NOT** have their regalia (cap and gown) on. **EVERYONE** will go through a security checkpoint and go through a metal detector prior to being let down to the dock. Save Mart Center has a “clear bag” policy. There will be no place to store your bag. Time will be very tight. Please arrive on time!

During the Ceremony...

Processional **PROCESSIONAL STARTS AT 2:45PM SHARP!!!!**

Students will be lining up in the north and south tunnels of the Save Mart Center. Volunteers will be on hand to help direct students to the correct tunnel. There will be directional signs posted as well.

Inside the tunnels will be standards with department names. Students are to gather around their departments' standard, **fill out their photo card (the backside of their Name card) and remain with their department until the procession begins.** Students are not seated alphabetically. Graduate students will lead the departments as they will be hooded first, then undergraduates will be recognized.

Department Administrative Assistants will lead their students onto the Save Mart Center floor. See the layout / map for seating layout and processional.

Ceremony

Students will enter the Save Mart Center floor following the direction of their Department Administrative Assistant. Once at their seat, they will remain standing until asked to be seated.

The program will begin with opening remarks from the President, Provost, Dean and Associate Dean. When it is time for the students to be recognized, the Department Administrative Assistant will prompt their students to rise and walk to the stage. Follow his/her lead.

When entering the stage, stand on the 'X' and place the name card in the hand of the Marshal (card reader). As soon as your name is read, make your way across the stage.

Students will be greeted by the Dean and a candid photo will be taken. Students will make their way back to their seats through the department receiving line and will have a ceremony photo taken before returning to their seat.

At the conclusion of the ceremony, students will exit the arena floor up to the first level on the west end of the building to meet up with family and friends. The west end is behind you when seated.

Graduate Hooding Ceremony

Students receiving their master degrees also participate in the commencement ceremony. Master degree students will be hooded by their department prior to the undergraduate students' names being called.

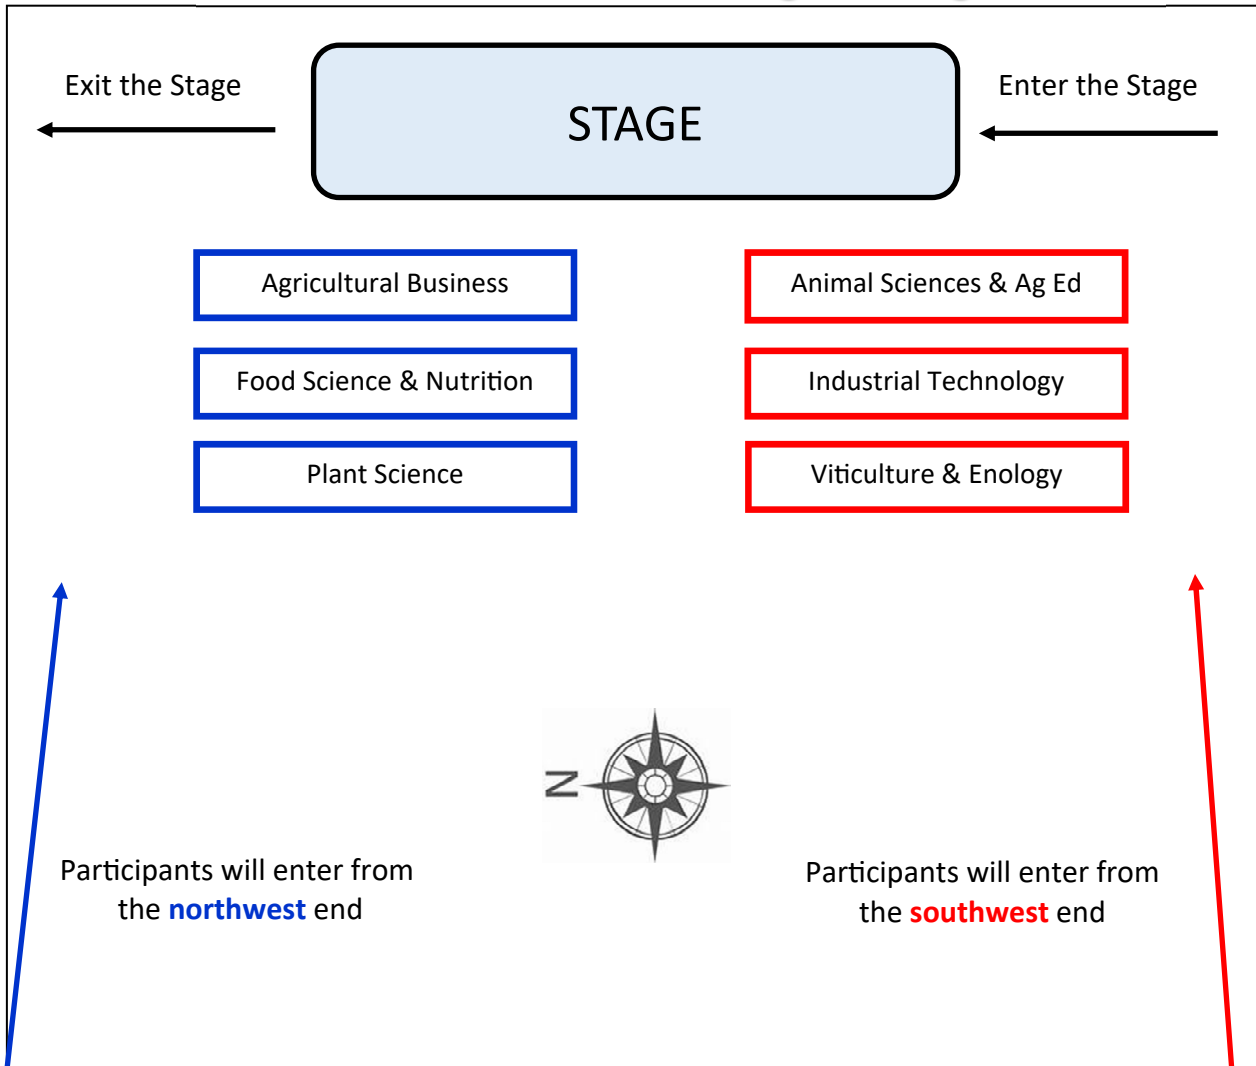

Hooding takes time!

Master students need to make sure their hood is open and draped over their left arm, button facing out, prior to walking onto the stage.
