ALUMNI SPOTLIGHT

Jasmine Flores Standridge,

Leadership Development Coordinator at California FFA

"I am deeply indebted to the faculty and staff mentors at Fresno State and the Jordan College for encouraging me to work hard and capitalize on my potential.

I especially enjoyed working with the Ag One Foundation and ACRS21 program, which provided hands-on training for students to help them chart successful lives and careers.

As the California FFA Leadership Development Coordinator, I am excited to oversee 37 high school FFA leadership conferences across the state. This role has taught me to be a diligent, flexible, and well-rounded mentor to shape future agricultural leaders."
