

Step 1: Log into My Fresno State and click on **HireFresnoState** under My Menu.

Step 2: After logging into My Fresno State Click on **Job Search** and then **Job Search** again.

Step 3: Filter your search by **Location**, **Job type**, or **Keywords**, for example **"Name of Company"**

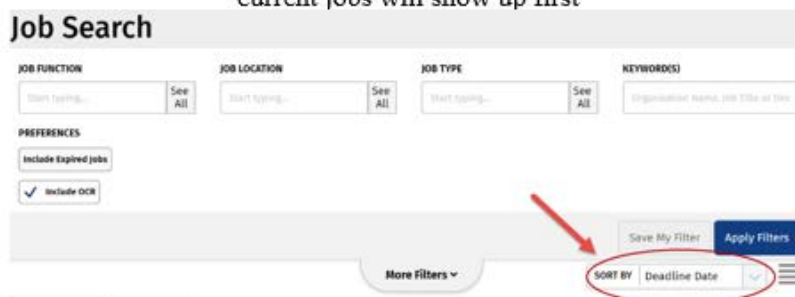

Step 4: Click on **"More Filters"** to narrow your search even more if you would like.

Step 5: Select **"Agriculture and Manufacturing"** or **"Education & Research"** and **"Public Service"** for CFS majors. This will yield results only in these sectors.

Step 6: You can also filter your search further by clicking on **"sort by"** and selecting **"posting date"** so that most current jobs will show up first

Once you have added all of the filters to your search look at the available options and **APPLY** for jobs and internships!
