Advising Notes

1. University policy states that courses fulfilling requirements for a minor may be counted toward General Education.
2. Students pursuing a minor are recommended to complete basic computer competencies (AGBS 76 recommended) and fundamental quantitative reasoning skills (MATH 11 or MATH 75 recommended) before enrolling in the upper-division courses.
3. Up to 6 units of lower division courses in the minor can be waived for students who have already received credit for equivalent courses. The equivalent courses for AGBS 1, AGBS 2, AGBS 31, AGBS 32, AGBS 76 and AGBS 28 are ECON 40, ECON 50, ACCT 4A, ACCT 4B, IS 52 (and IS 52L) and BA 18 respectively. Such course waivers correspondingly reduce the unit requirement for the minor from the maximum of 18 to a possible 12 - the minimum allowable under the Title 5 code.
4. All courses in the minor must be taken for a letter grade; CR/NC grading is not acceptable.
