

Happy Friday Bulldog,

Below you will find a list of job/internship opportunities.

If you wish to enroll in an internship course within Jordan College, you must submit an Internship Record via HireFresnoState and have it approved **PRIOR TO ANY SEMESTER ADD/DROP DEADLINES** to receive a permission number to enroll in the course. This must be done **AT LEAST 2 weeks** prior to any add/drop deadlines.

Excess Unit Form: If you are taking an internship course and it will put you over 18 units, please fill out an Excess Unit Form, [here](#).

Window to register a Spring internship for Spring Credit: October 1 – Last Fall Add/Drop Deadline. Please view the attached JCAST Internship Records Instructions.

Scholarships & Grants

2023/2024 UNDERGRADUATE SCHOLARSHIP

The California Chapter of the American Society of Agronomy will award one or more scholarships to eligible California resident/s currently enrolled in a degree program in crop production, plant science, soil science, agronomy, or a related science field.

ELIGIBILITY:

1. Applicant must be an undergraduate of at least sophomore-level standing and be enrolled full-time the semester or quarter of the award or the semester or quarter immediately following the award.
2. Applicant must be a resident of California and be enrolled in a California college or university.
3. Applicant must hold a minimum cumulative GPA of 3.0 (based on a 4.0 scale) calculated through the last quarter or semester prior to application.

APPLICATION AND AWARD PROCESS:

1. Download the application form below and complete items 1-4 on pages 2-3. Applications are due by midnight January 12, 2024.
2. Scholarship funds will be released upon selection and proof of enrollment. Recipients will be notified by Friday, January 19, 2024 with the monetary award available after February 1st .
3. Scholarship recipients are required to report the monetary amount of the award to the financial aid department of the academic institution in which they are enrolled.
4. All scholarship recipients will be recognized at the annual California Plant & Soil Conference, which will be held on February 6-7, 2024. Recipients will receive free registration to attend the conference. Attendance at the conference is encouraged but not required. A limited amount of travel funds are available for qualified student attendees. Please visit <https://na-admin.eventscloud.com/docs/9711/400470> for detailed instructions regarding student travel funds.

APPLICATION SUBMISSION

Submit all application materials by email to Dr. Marja Koivunen at mekoivunen@gmail.com.

Applications must be received no later than midnight Friday, **January 12, 2024.**

The USDA Patrick Leahy Farm to School Grant

The USDA Patrick Leahy Farm to School Grant Program (Farm to School Grant Program) announced the opening of the fiscal year (FY) Farm to School Grant Program Request for Application (RFA). USDA expects to award approximately \$12 million in grant awards for activities such as training, supporting operations, planning, purchasing equipment, developing school gardens, and implementing farm to school programs.

Eligible applicants may include schools and other institutions that operate child nutrition programs, tribal organizations, agricultural producers or groups of agricultural producers, nonprofit entities, and state and local government agencies.

If you or an organization you know wants to apply, please visit our Resources for Farm to School Grant Program Applicants webpage for more information. Complete applications must be submitted to Grants.gov by 11:59 pm ET on Friday, **January 12, 2024.**

For career exploration or resume/cover letter support, please make an appointment with the Jordan College Internship Coordinator, Nancy Vue. For ACRS21/AET related items, please make an appointment with our Peer Career Coach, Emma Tripp by visiting AG 110 or calling the Jordan Advising and Career Center Office at 559.278.4019.

Please note, we do not allow same-day appointments or making appointments via email. Thank you.
